ACTION FOR
PEOPLE,
CLIMATE

**UNITED
FOR PEOPLE,
CLIMATE &
NATURE**

83% OF PEOPLE IN THE UK THINK THE GOVERNMENT SHOULD DO MORE TO TACKLE CLIMATE CHANGE.

If you want action for people, climate and nature, display this poster to show you care and are part of a nationwide community, united for people, climate and nature.

Ask candidates about their plans, and tell them what matters to you.

WHY do you care? How are the people, things and places you love already affected, and what are your worries for the future? If you make the conversation specific and personal it can have more impact.

People across the UK are already taking action to tackle climate change and protect nature. **WHAT** actions have you taken and what would help you to do more?

Ask your candidate **HOW** they will ensure the next UK Government will cut emissions, restore nature and support the hardest hit at home and around the world?
